CADETSHIP INTAKE 2022

WHO ARE WE?

At MPA we have a strong 22 year history of developing high performing teams and delivering high quality projects, on time and on budget. We invest in our people to help us achieve our goals, supporting career growth and pathing the way with learning and development opportunities.

The MPA Cadetship program gives you the opportunity to be a part of this journey, as you work for Australia's leading Fitout and Refurbishment Company whilst completing your degree.

WHO ARE WE LOOKING FOR?

We're looking for students with a credit average, entering the **penultimate year of their full time construction, engineering, or building related studies in 2022** to join our team. You'll have a positive can-do attitude and be ready to soak up all MPA has to offer.

To be eligible you must be an Australian citizen or permanent resident.

SALARY

A Building Cadet salary within MPA is guided by the current Modern Award plus the current superannuation rate of 10% and their current year of study.

HOW DOES IT WORK?

Our Cadetship Program provides a structured learning program over 2 years, designed to give you the essential foundations for a fulfilling and rewarding career at MPA.

You'll work with our Estimating, Delivery Office & Delivery Site teams from day one, completing a rotational placement through each of these business units across the 2 year program. We'll support you with an experienced mentor and access to senior members of our team, who are there to guide you through each placement and aid in your development.

Commencing in February 2022, you'll work Monday to Friday from 8:30am-5:30pm, with the occasional Saturday depending on the business and project needs. We know working full time and studying can be a juggle, that's why we give you one regular paid weekday off each week to attend university and extra leave for exams.

APPLICATION CLOSING DATE

5pm Tuesday, 23 November 2021

Shortlisted candidates will be invited for an interview early December.

Interested?

Submit your one page cover letter, resume and a copy of your academic transcript to careers@mpa.com.au
